### CALLING ALL CONFEDERATE EXHIBITORS

**NOW is the time to submit  
your Napex exhibit application**

### Deadline for exhibit submissions is March 31

Exhibits are accepted on a first-come basis. This is a World Series of Philately show with 200-250 frames. Show organizers are counting on the CSA to fill 100 of those frames as the major convening society. We filled 122 frames at Bellefonte in October 2019 at the Civil War Exhibition and Symposium.

Exhibitors are required to mail six paper copies of the synopsis and title page for the judges by March 31. These can be modified by the exhibitor at a later date.

## **On-the-Road *Half-Day* Course - Napex 2020**

[Course Registration Link](#) (\$25 for APS members, \$75 for non-members)

**STAMPS.ORG**

On-the-Road courses, are put on by the American Philatelic Society. They are generally held in conjunction with World Series of Philately shows, of which NAPEX is one. The course will be held at the show hotel the day before the show opens to the public.

**This 3-hour course is geared toward newer Confederate collectors, but anyone is welcome. Perhaps you want to bring someone you are mentoring.**

The course will present an overview of Confederate States stamps and postal history. There will be hands-on experience identifying stamps which have often-confused designs, such as CSA 11 and CSA 12, as well as introduction to commonly encountered fakes.

If you are an experienced collector, this is likely not the course for you. But if you are new to collecting Confederate stamps and postal history, it may be just the ticket to help you sort out some of the more challenging areas. If you are mentoring a newer collector (or even if you're not), you are most welcome too.
